

**GAINESVILLE SURGERY CENTER  
PROVIDER CONTRACT LIST**

We accept all insurance's as long as out-of-network benefits are available. In most cases we are able to do an adjustment to meet in network benefits. This adjustment is made so that the patient is not penalized for using an out-of-network facility. These adjustments are done on a case by case basis. Please call and speak with our insurance verification person before scheduling the case.
